The screenshot shows the 'Integration setup' page in the Free2Convey application. The 'Type' is set to 'Land registry', 'Username' is 'BGUser001', and 'Password' is 'landreg001'. A callout box in the center reads: "You must now enter your Land Registry Portal username and password." The 'Save' button is visible at the bottom of the form.

The screenshot is identical to the previous one, but the 'Save' button is circled in red. A callout box reads: "Click 'Save' when complete. You will then be able to activate or deactivate the Land Registry search from the 'Users' area, as described in the 'How Do I Manage My Firm's Users' video." The 'Save' button is now highlighted in blue.

The screenshot is identical to the previous ones, showing the 'Integration setup' page with the 'Save' button highlighted. A callout box reads: "Setting up this integration will allow you to verify the property address against the Land Registry database." The 'Save' button remains highlighted in blue.
